

# PLACES TO VISIT IN ITALY

## Trevi Fountain in Rome

Trevi Fountain is known as a place to throw in a coin to secure a return trip to Rome, and throwing two coins can secure a loving relationships with a Roman man or woman. At night, the fountain is illuminated, making it a magical and romantic place to visit.

## Capri

The island of Capri is just three miles from Naples, but it is a unique destination with its own culture and atmosphere. After arriving by boat, visitors often flock to the Blue Grotto, a spectacular cave that has been appreciated since Roman times.
